We want your child to come to camp! Good Earth Village recognizes that some of our campers require financial assistance to make participation possible. Generous donors have provided special funding to assist families that need support to pay camper registration fees. Campership funds are available as a last resort to remove barriers to attendance. Congregational support and payment plan options should be explored before requesting direct funds. Campership awards will be credited to your account once this form has been approved by the Business Manager. You may call during regular business hours if no award appears to make sure that we received your application. Please note if you are applying for a full campership, you are required to pay a minimum of \$50 towards each camper and the remaining will be subsidized.
